BOTTOM: Fall colors emphasize the beauty of the buildings on campus.

OPPOSITE PAGE: TOP LEFT: Phi Sigma Sigma sisters enjoying the Homecoming victory.

OPPOSITE PAGE: BOTTOM LEFT: A colorful look down Academic Row.

LEFT: Muhlenberg's knowledge transcends to the skies.

RIGHT: Muhlenberg flags on lamp posts signal the entrance onto Muhlenberg's campus.

TOP RIGHT AND LEFT: As students walk towards campus from the Center for the Arts, in their view is Seeger's Union.

TOP LEFT: Two Alpha Chi Omega sisters enjoying a football game.

TOP RIGHT: Tim Walbert, a Phi Kappa Tau brother, walking down Chew Street.

BOTTOM RIGHT: Susanne Hobbis and Steve Morgenlender busy at work for Student Council.

BOTTOM RIGHT: Melinda Armenti and Frank Olzewski enjoying each others' company.

TOP LEFT: Peter S. Muhlenberg looks proudly across his campus.

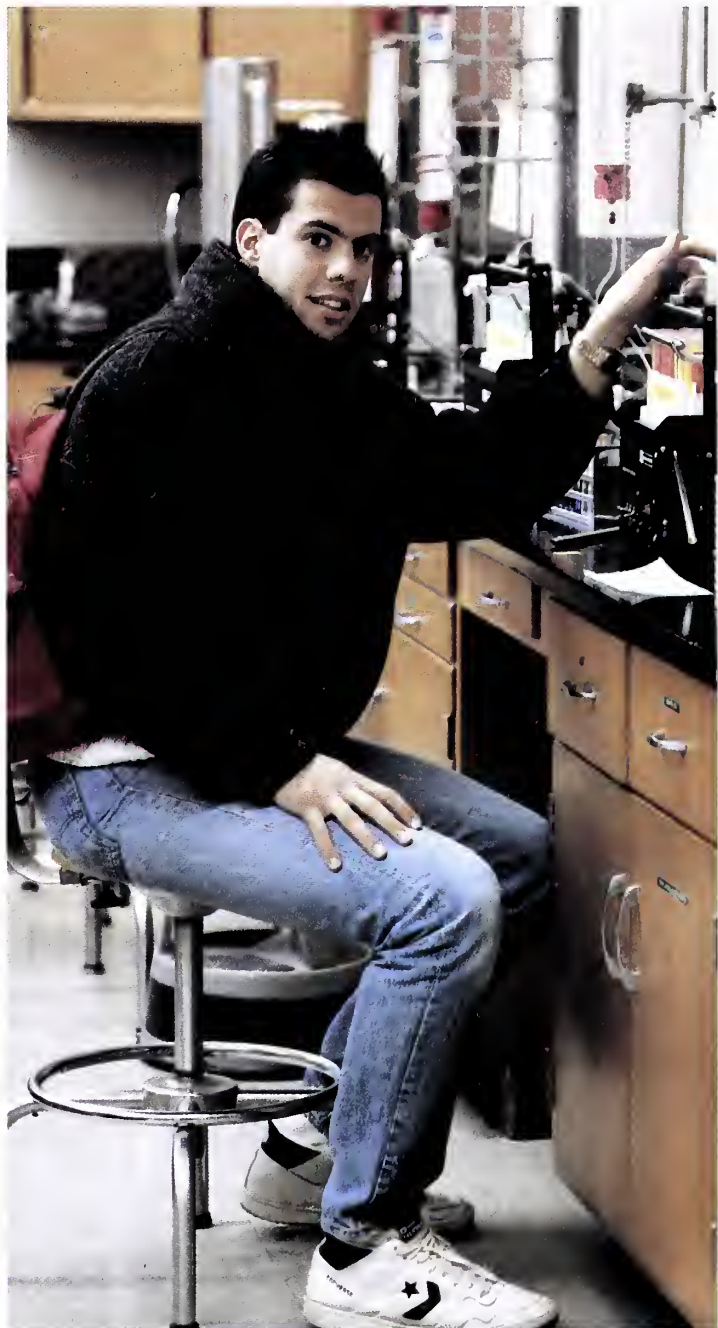

TOP RIGHT: Alpha Chi Omega sisters, Sharon Beppel and Michele Foster, meeting in front of the Center for the Arts.

BOTTOM RIGHT: A side view of the Harry C. Trexler Library.

BOTTOM LEFT: President Messerli bestowing wisdom upon Ron Horowitz and Steve Wolfe at the Library Dedication.

OPPOSITE PAGE: FAR RIGHT: Jeff Cavandish preparing for his future.

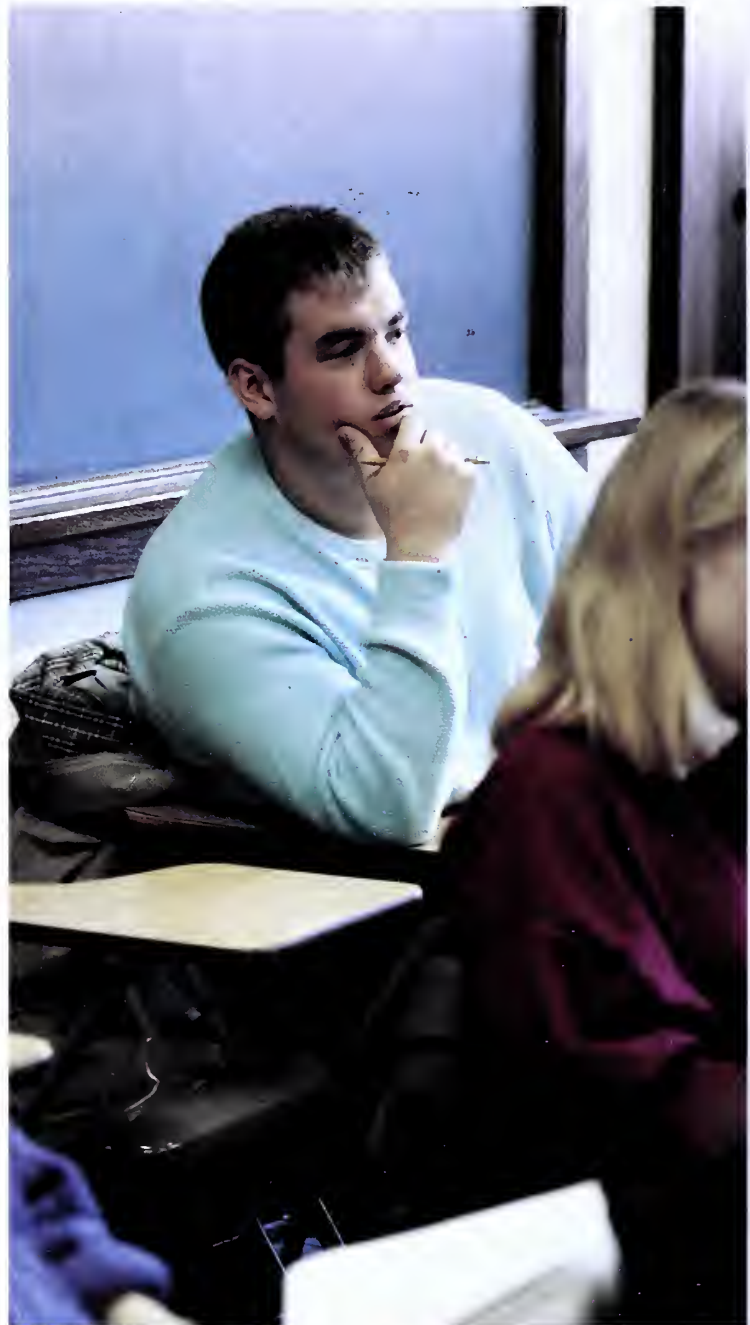

Muhlenberg College was founded in 1848. With an academic emphasis on the Liberal Arts and Pre — Professional Studies, Muhlenberg is committed to helping students think imaginatively and critically as well as preparing them for professional careers. Muhlenberg offers sixty clubs and organizations for students in addition to sponsoring 16 varsity intercollegiate sports for men and women. One of Muhlenberg's best assets is the commitment and dedication of the faculty to students. With 112 full-time and 38 part-time students, the student faculty ratio is 14 to 1. Muhlenberg provides a rich and rewarding environment for students to learn and grow in as well as preparing them for their future.

TOP RIGHT: The intense look of this student proves Muhlenberg's commitment to higher learning.

BOTTOM RIGHT: Two Muhlenberg students taking a break from their studying in the Snack Bar.

BOTTOM LEFT: Phi Kappa Tau brothers heading to their house for lunch.

BELOW: Charise Motto engrossed in Muhlenberg's newspaper, the Weekly.

TOP: Sigma Phi Epsilon brothers, Dave Fisher and Rich Zuckerman, heading to class.

BOTTOM RIGHT: Kim Sampers and Bill Panck helping each other out at the library.

BOTTOM LEFT: Many students who meet at Muhlenberg come back to be married at Egner Chapel.

ACADEMICS

ACADEMIC LIFE

Muhlenberg College's academic life is a product of more than simply hours spent in the classroom and hours in the library. Muhlenberg dedicates a liberal arts education to providing a challenging, balanced, yet still informal academic environment. The faculty, class offerings, class sizes, additional resources and unique opportunities contribute to Muhlenberg's highly respected education. The faculty's enthusiasm for their work and their interest in students' progress spark, in their stu-

dents, an equal enthusiasm and desire to learn, question, and discover. The insights offered by many accomplished visiting lectures provide students with additional learning experiences. Independent studies, semesters abroad, and other opportunities challenge students to leave the classroom for a "first taste" of the world in their future. These opportunities and, most importantly, the people involved make Muhlenberg's quality education unique among colleges.

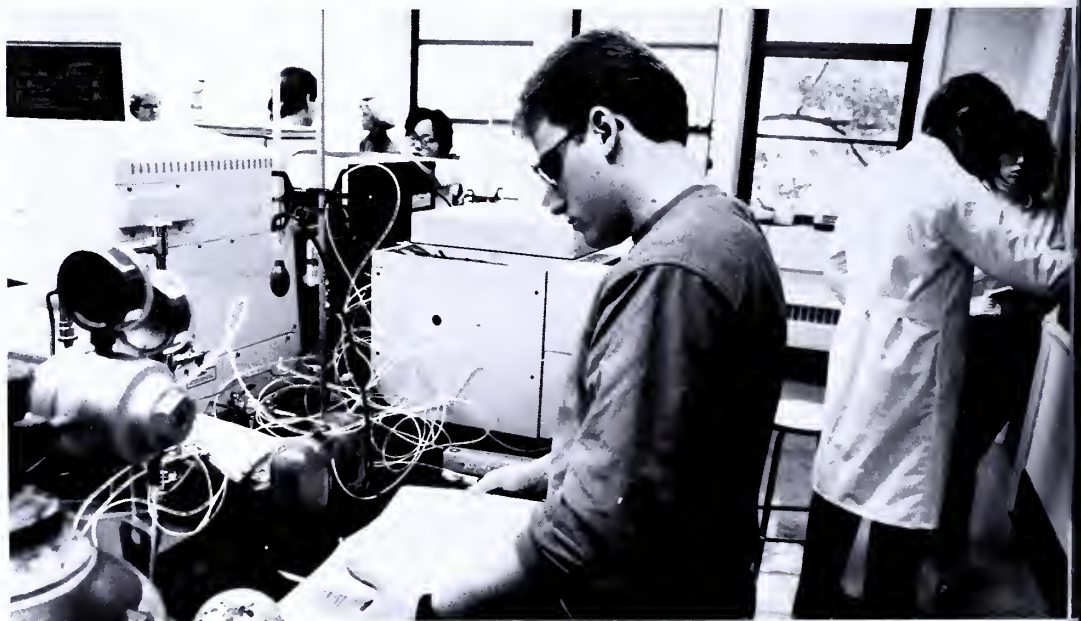

TOP RIGHT: Even though Stephanie Funk is a senior, the atmosphere of the classroom is still intriguing.

MIDDLE LEFT: Nancy Hegedus putting the new Parents Plaza to good use.

MIDDLE RIGHT: Two Muhlenberg students discussing their ideas in order to further their understanding of concepts taught in class.

BOTTOM RIGHT: Behind the scenes, Muhlenberg science students are making their contributions to technology.

The spirit of Muhlenberg.

ANTHROPOLOGY/SOCIOLOGY AND ART

The Anthropology/Sociology Department combines the past with the present in its course offerings. The Archeology Lab in Brown Basement offers arrowheads and other rarities from the past while the popular social work major deals with many present day problems. The department also supports an Anthropology Club which takes trips to museums and dig sites.

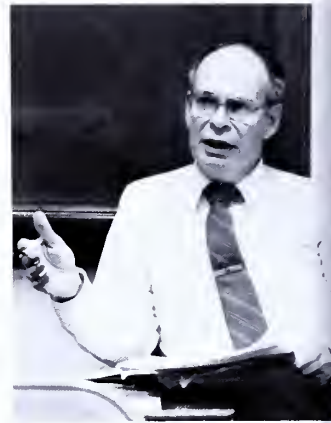

The Art Department offers courses in both the studio arts and the fine arts. Courses range from Introduction to Art History to Advanced Painting. Works completed by both students and faculty are put on display in annual shows. Other artists' works are shown in the Muhlenberg Gallery located in the Center for the Arts.

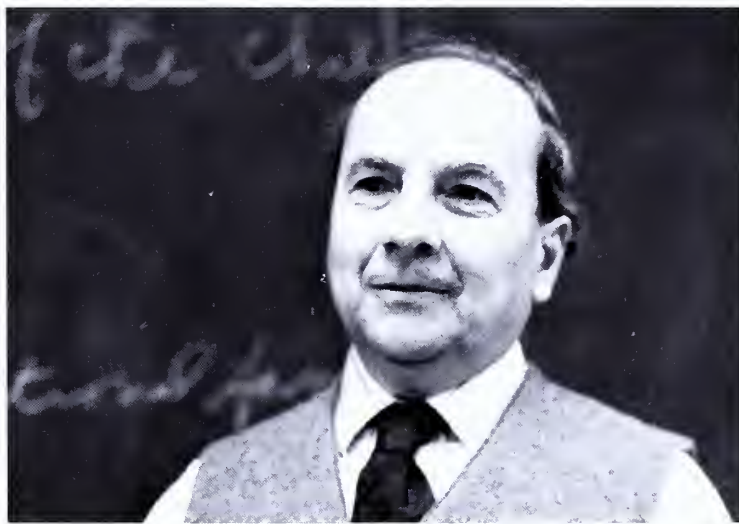

Walt Tremer
Lecturer of Anthropology

Hope Luhman
Lecturer of Anthropology

Dr. Frank McVeigh
Professor of Sociology

Dr. Joseph Francello
Head of Anthropology/Sociology Department

Dr. Roger Baldwin
Professor of Sociology

Raymond Barnes
Head of Art Department

Dr. J. daCosta Nunes
Professor of Art

Scott Sherk
Professor of Art

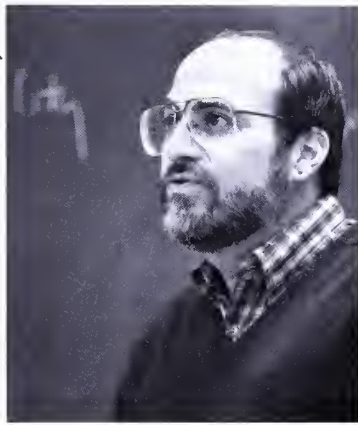

Valerie Livingston
Professor of Art

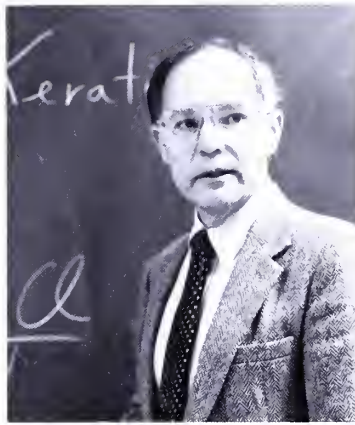

BIOLOGY

Dr. Francis Watson
Professor of Biology

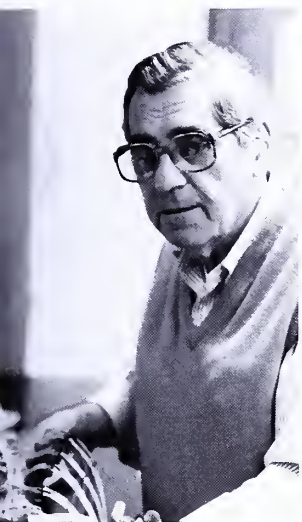

Dr. David Much
Professor of Biology

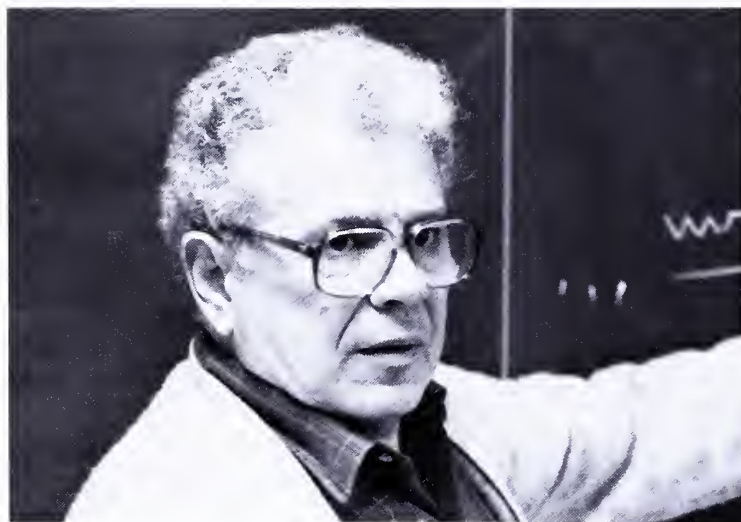

Dr. Carl Oplinger
Professor of Biology

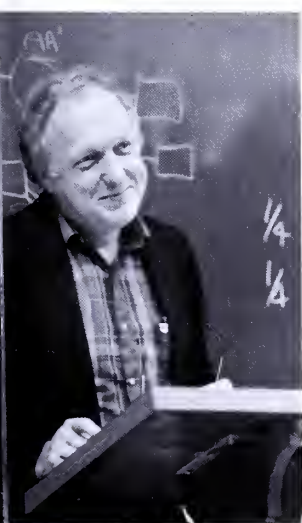

The Biology Department is one of the popular departments for students with pre-med and pre-research aspirations. Students not only attend lectures but also participate in labs, research projects, and independent studies. The department sponsors a Biology museum and a greenhouse for further understanding of our biological environment.

Paul Weaver
Professor of Biology

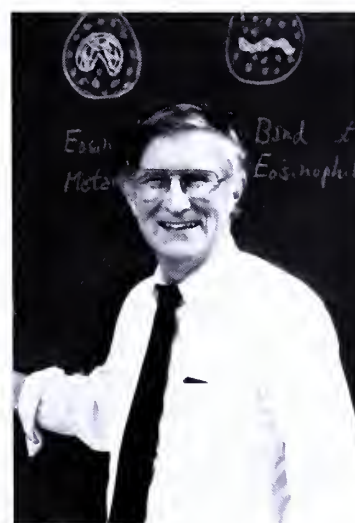

Dr. James Vaughan
Professor of Biology

Dr. Irvin Schmoyer
Professor of Biology

Dr. Daniel Klem
Professor of Biology

Dr. John Weston
Professor of Biology

CHEMISTRY

The Chemistry Department produces graduates who not only attend medical school and graduate school but also pursue careers in business and teaching. Each student has the opportunity to take seminars and labs as well as participate in research projects and internships in order to achieve a full understanding of chemistry. Students who complete the requirements are given American Chemical Society Certification.

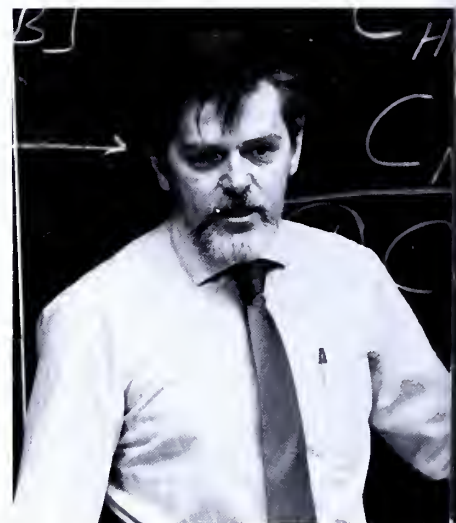

Dr. Marsha Baar
Professor of Chemistry

Dr. Charles Russel
Professor of Chemistry

Dr. Richard Hatch
Head of the Chemistry Department

Dr. Donald Shive
Professor of Chemistry

Dr. David Stehly
Professor of Chemistry

Gail Marsella
Instructor of Chemistry

Dr. Marion Smith
Professor of Chemistry

CLASSICS AND COMMUNICATIONS

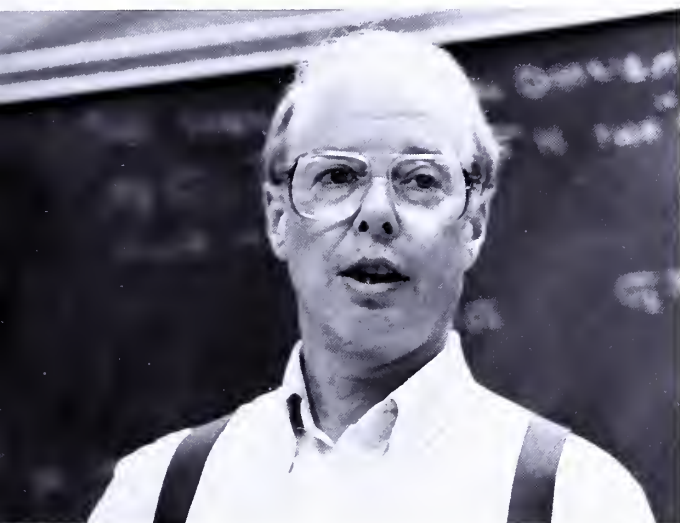

Mary Redline
Lecturer of Classics

Reba Marblestone
Lecturer of Classics

Greek, Latin, and Hebrew are the languages of focus in the Classics Department. They emphasize the ancient cultures of these languages by offering such classes as classical mythology and a study in Hebrew literature. This department broadens the knowledge of many students.

The Communications Department offers a wide range of courses from Communication Processes to Photojournalism. A benefit of this major is the opportunity for students to take classes at Cedar Crest, broadening the education available to the student.

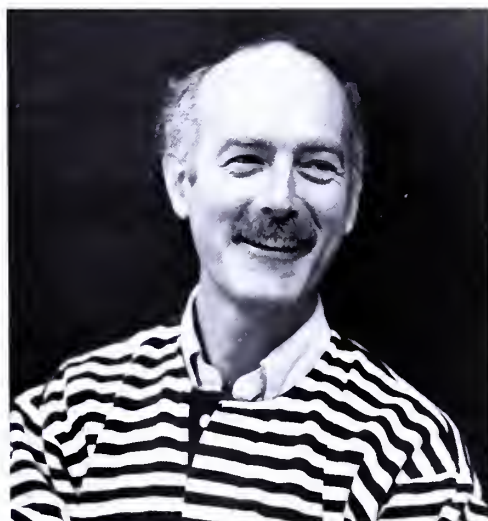

Dr. Robert Wind
Head of Classics Department

Dr. Sue Jansen
Head of Communications Department

Daniel Tate
Professor of Communications

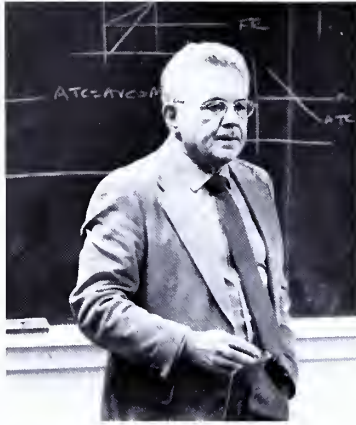

Joseph Elliot
Professor of Communications

James Schneider
Professor of Communications

BUSINESS/ECONOMICS

The Business/ Economics Department is home of several of the most popular majors on campus. Business Administration, Accounting, and Economics majors not only concentrate in their fields but also get the benefit of classes such as Marketing Research and Management. Internships are also available for students who desire "hands on" experience in the business world. Many of the top business and accounting firms from Philadelphia and New York City come to Muhlenberg to recruit these majors.

Dr. John Voyatzis
Professor of Economics

George Bannon
P/T Lecturer of Economics

Dr. M. Constantinides
Professor of Economics

Dr. Harold Dolenga
Head of Economics/Business Department

Dr. James Marshall
Professor of Economics

Dr. Rohini Sinha
Professor of Economics

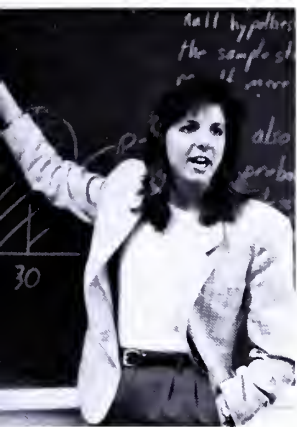

Dr. James Blaylock
Professor of Economics

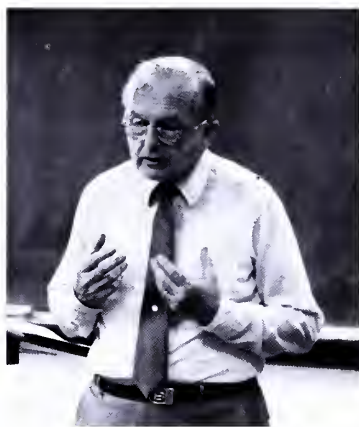

Dr. Fred Norling
Professor of Economics

BUSINESS/ECONOMICS AND EDUCATION

Janet Milan
Instructor of Business

Kenneth Clark
Professor of Economic/Business

Gail Eisenberg
Professor of Economics/Business

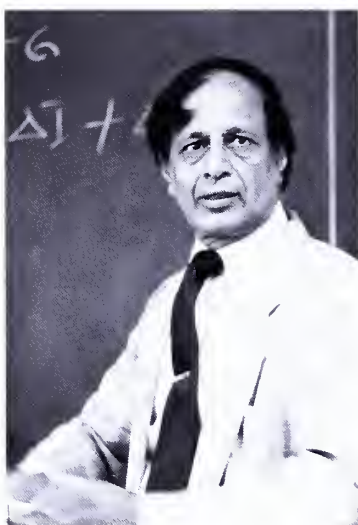

Teaching certification is the primary goal of the Education Department. Although this department offers no major program, completion of required courses leads to certification for teaching in both secondary and elementary schools. In addition to fulfilling the education requirements, each of these students must also complete a major in their field of interest. The department requires two student teaching experiences to ensure that the students fully understand the purpose of education.

Dr. Taffere Mogus
Professor of Accounting

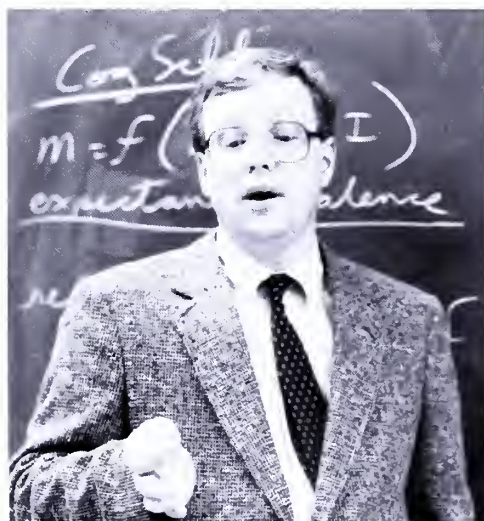

John Biglin
Professor of Accounting

Brent Sjaardema
Professor of Accounting

Dr. Ann Wonsiewicz
Head of Education Department

Dr. Michael Carbone
Professor of Education

ENGLISH

No student graduates without getting at least a taste of what the English Department has to offer. Besides the mandatory Freshman English, this department offers a variety of classes ranging from Creative Writing to Shakespeare. Majors are required to take a wide variety of advanced classes in literature as well as a seminar. The number of students declaring majors and minors in English has grown over the years which is a great tribute to this department.

Julie Slim
Lecturer of English

Dr. Thomas Cartelli
Professor of English

Jill Stephen
Assistant Professor of English

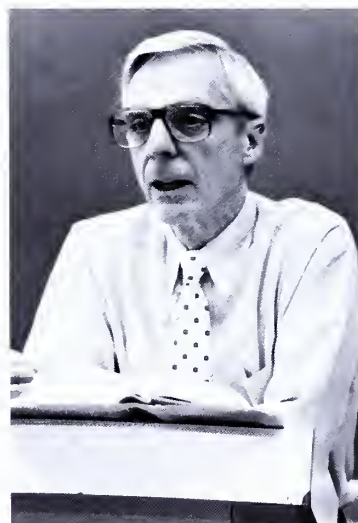

Dr. Ralph Graber
Head of English Department

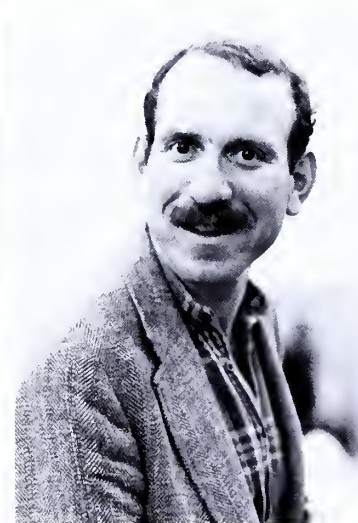

Rosa Salter
Lecturer of English

Dr. Linnea Johnson
Professor of English

Dr. Jay Hartman
Professor of English

Dr. James Bloom
Professor of English

Dr. David Rosenwasser
Professor of English

FOREIGN LANGUAGES

Dr. Joan Marx
Professor of Spanish

Dr. Jose Lopez
Professor of Spanish

Anna Adams
Instructor of Spanish

Students who decide to major in a language not only get the benefit of the outstanding faculty in the Foreign Language Department but also benefit from a strong abroad program. In countries such as Spain, France, and Germany students get the opportunity to experience a foreign language and its culture first hand. Courses are offered at Muhlenberg in French, Spanish, German, and Russian. Along with obtaining fluency in these languages, majors must successfully pass a seminar or a comprehensive examination covering language, literature, and culture.

Dr. Albert Kipa
Professor of German/Russian

Dr. John Brunner
Head of Foreign Language Department

Dr. Kathryn Wixon
Professor of French

Dr. John Pearce
Professor of French/Spanish

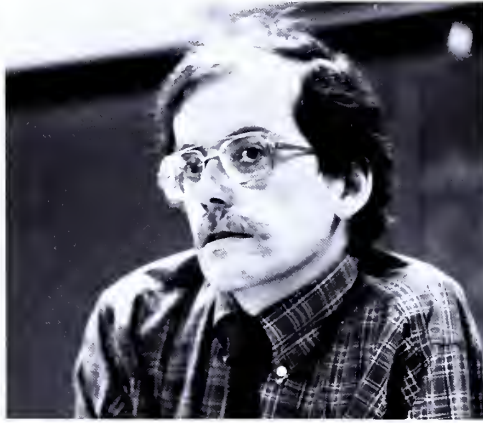

Patricia DeBellis
Lecturer of French/Spanish

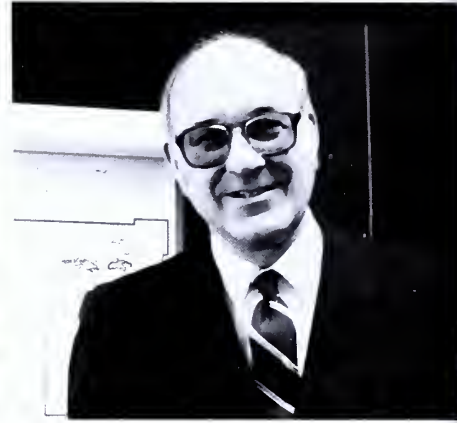

Dr. Arvids Ziedonis
Professor of Russian

HISTORY

The History Department successfully prepares its majors for law school, government service, graduate school and teaching. The department offers courses in Ancient History, American History, European History, and so on. Internships are available in various political and cultural areas for qualified majors as are studying abroad opportunities. A History Colloquium is also required for all majors.

Dr. Daniel Wilson
Professor of History

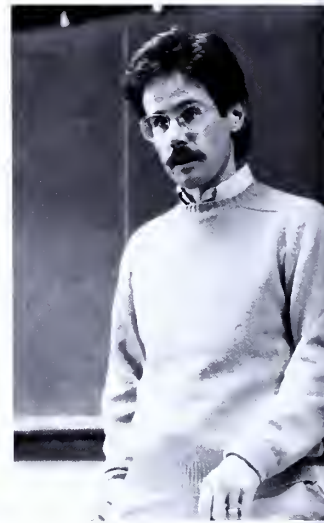

John Gauger
Lecturer of History

Dr. Edwin Baldrige
Head of History Department

Dr. Robert Croskey
Professor of History

Dr. John Malsberger
Professor of History

Dr. William Tighe
Professor of History

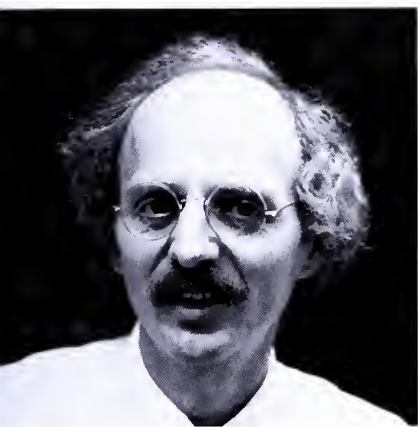

Dr. Indrikis Sterns
Professor of History

Peter Sardo
Lecturer of Geography

MATHEMATICS/COMPUTER SCIENCE

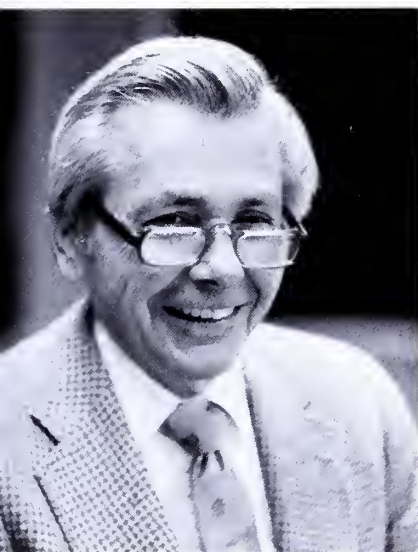

Dr. George Benjamin
Professor of Computer Science

Roland Dedkind
Professor of Computer Science

The Mathematics/Computer Science Department began this year with a new Department Head, John Meyer. This department is strong and is growing as new computer labs and classrooms are being introduced. A math clinic is available to aid students struggling through calculus. Courses range from College Algebra and Trigonometry to Topology; from Introduction to Computer Science to Numerical Analysis. Majors are encouraged to obtain a complete and in depth understanding of the field.

Dr. Adnah Kostenbauder
Professor of Mathematics

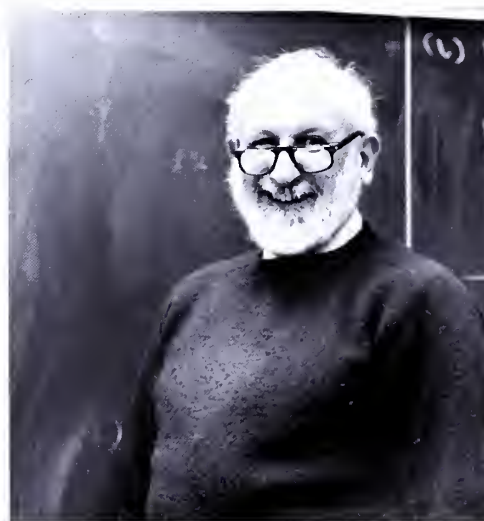

Dr. John Meyer
Head of Mathematics/Computer Science Department

Robert Stump
Professor of Mathematics

Dr. Mark Leeney
Professor of Mathematics

Robert Wagner
Professor of Mathematics

MUSIC AND PHYSICAL EDUCATION

The Music Department may be small but it offers all students, majors and non-majors alike, the opportunity to gain a greater understanding and appreciation of music. In addition to classroom courses, students may participate in the college band, college choir, wind ensemble, jazz ensemble, or individual music lessons. In addition, the music department hosts many musical performances every semester including both student and faculty recitals.

Dr. Henry Schmidt
Professor of Music

Artie Clifton
Band Director

Dr. Charles McClain
Head of Music Department

Helene Hospodar
Professor of Physical Education

Patty Fosselman
Instuctor of Physical Education

Ralph Kirchenheiter
Director of Athletics

Frank Marino
Professor of Physical Education

PHYSICAL EDUCATION

William Flamish
Professor of Physical Education

Raymond Whispell
Professor of Physical Education

In addition to coaching all Varsity Sports Teams at Muhlenberg, the Physical Education Department offers courses ranging from Yoga to Synchronized Swimming. Each student is required to successfully complete a certain number of these courses. The department also sponsors a 50 Mile Club and a Wellness Program. Together, these programs enable students and faculty to understand the importance of good eating and exercise habits.

Connie Kunda
Professor of Physical Education

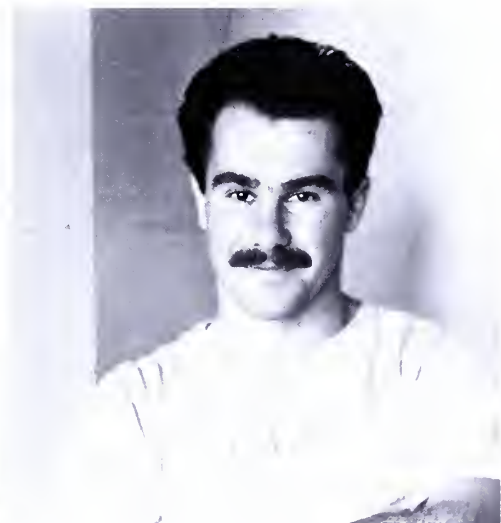

Linda Garrett
Head of Physical Education Department

John McVan
Instructor of Physical Education

Samuel Beidleman
Professor of Physical Education

Brian Bodine
Assistant Director of Physical Education

PHILOSOPHY AND POLITICAL EDUCATION

To critically examine our basic beliefs about the nature of reality, knowledge, and values is a primary goal of the Philosophy Department. Majors are taught to analyze arguments by assessing every available position. In doing so, majors and minors in this department achieve a greater understanding of their own lives. Courses include Ethics, Logic, and various others concerning the history of philosophy.

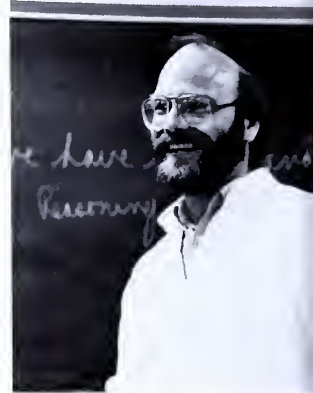

The Political Science Department has a large number of majors, many of whom have law school aspirations. The department itself is broken down into four categories which include American Government, Asian Soviet and Third World Politics, International Politics and European Governments, and Political Thought. All majors must take at least two courses from each category. Internships in local government, law offices, and with attorneys are highly encouraged.

Dr. Valerie Broin
Assistant Professor of Philosophy

Dr. Ludwig Schlecht
Professor of Philosophy

Dr. Theodore Schick
Professor of Philosophy

Dr. David Reed
Head of Philosophy Department

Patricia Spang
Assistant Professor of Philosophy

Dr. Charles Bednar
Head of Political Science Department

Dr. Alton Slane
Professor of Political Science

POLITICAL SCIENCE AND PSYCHOLOGY

Dr. Kathleen Harring
Assistant Professor of Psychology

Dr. Silas White
Professor of Psychology

Dr. Vilma Sinha
Professor of Psychology

The Psychology Department offers courses in both Fundamental Processes and Social and Personality. Three Experimental Psychology courses are offered in the fields of conditioning, cognitive and social behavior, and sensation and perception to further aid majors in their learning experience. Field work is required for several of the courses and independent research opportunities are available for qualified majors. After graduation, many majors pursue graduate school, business occupations, or teaching.

Dr. Theodore Maier
Professor of Psychology

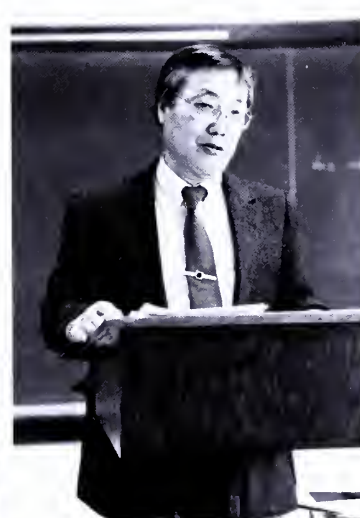

Dr. Kenneth Graham
Professor of Psychology

Dr. James Ryan
Assistant Professor of Political
Science

Dr. Christopher Herrick
Assistant Professor of Political
Science

Dr. Stewart Lee
Professor of Political Science

Dr. Laura Snodgrass
Assistant Professor of Psychology

PHYSICS AND RELIGION

The Physics Department provides a strong background in both classical and modern physics for its majors. With the aid of some high tech equipment, laboratories are well equipped to provide hands on experience in atomic and nuclear physics, optics, solid state physics, and electronics. A physics major is very challenging and its graduates attend graduate schools, medical schools, and pursue engineering careers.

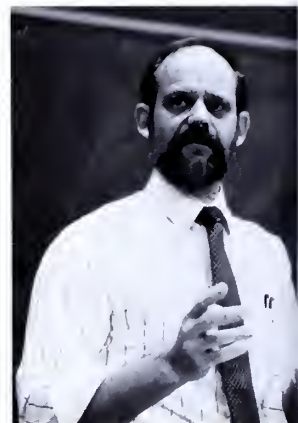

The Religion Department offers a wide range of introductory and higher level religion courses ranging from Studies in the Bible to Lutheran Heritage. The department sponsors Coffee and Fellowship weekly which benefits the entire campus. Seminars, abroad opportunities, and a semester in Washington D.C. are also available for many majors.

Dr. Joseph Molitoris
Professor of Physics

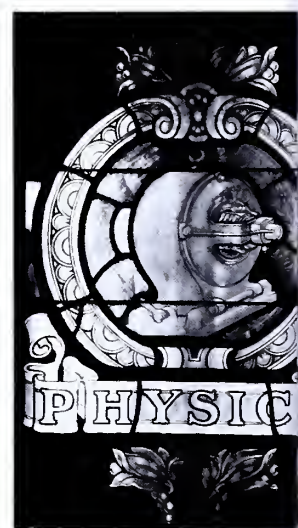

Dr. Patricia Bronson
Professor of Physics

Dr. Robert Milligan
Professor of Physics

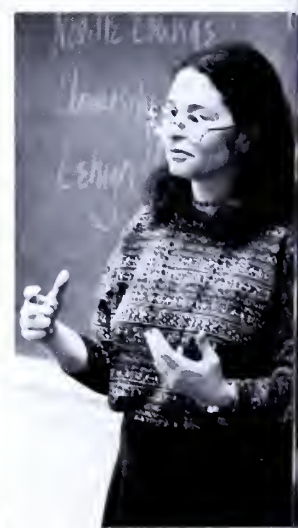

Dr. Walter Loy
Head of Physics Department

A window of knowledge

Dr. Darrell Jodock
Head of Religion Department

Dr. Susan Schwartz
Lecturer of Religion

RELIGION AND THEATRE ARTS

Edwin Booth
Technical Coordinator

Curtis Dretsch
Professor of Drama

Alan Cook
Professor of Drama

The Theatre Arts Department has been designed to prepare its majors for entrance into advanced study in theatre or a greater understanding and commitment to dramatic productions. Each year the department sponsors the Muhlenberg Theatre Association which mounts five major productions including one musical. A wide variety of courses are offered in both Drama and Speech including History of Drama, Acting, Scene Design, Basic Speech, and many others.

Nancy Ross
Lecturer of Drama

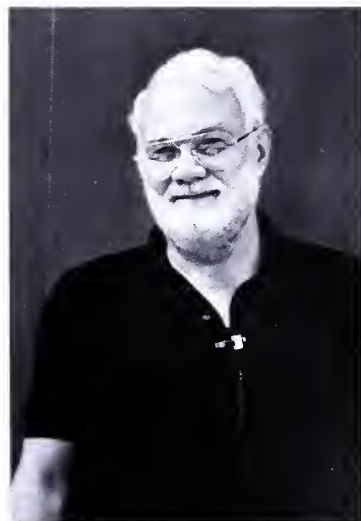

Charles Richter
Head of Drama Department

Dr. William Jennings
Professor of Religion

Dr. Charles Garrettson
Lecturer of Religion

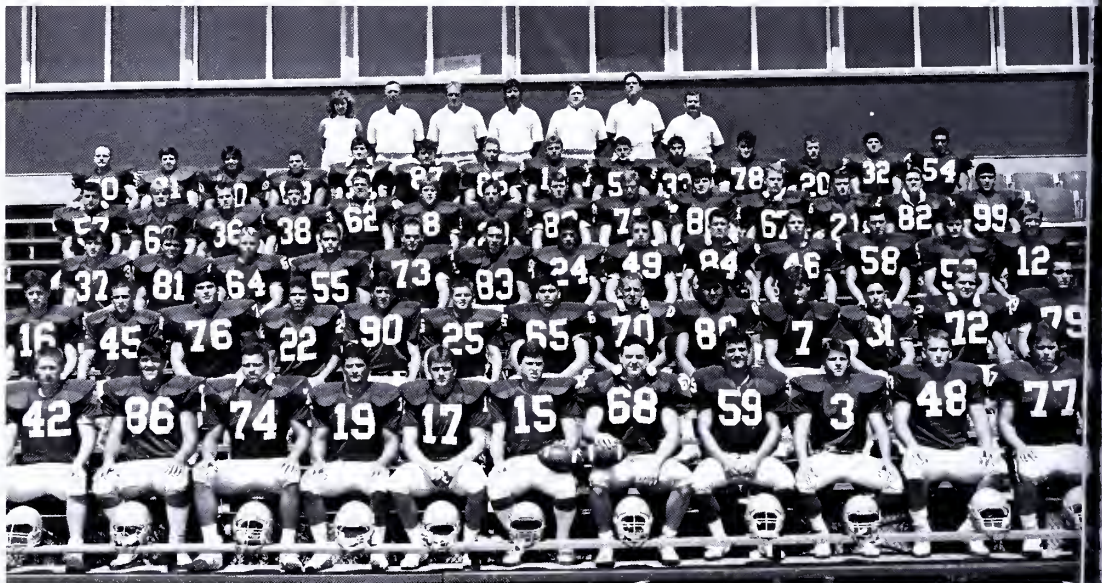

Dr. Rodney Ring
Professor of Religion

Dr. Roger Timm
Professor of Religion

FAR LEFT: Nick DiGiorgio cuts to look for the pass.

As the game continues, the Mule greets future Muhlenberg College students.

BELOW: As the game proceeds, Lance Hallam looks up to the crowds for support.

FOOTBALL

7-3 BECOMES A HABIT

Record of 7-3 is becoming a habit for the Mules. The 1988 season was the sixth season in a row that the football team has ended with such a record. It is also the third impressive season in Muhlenberg history. The team began this impressive run with the traditionally tough Susquehanna Crusaders.

After being defeated in the first two home openers against Susquehanna, the Mules pulled together to defeat the Crusaders 26-13. The Mules opened the scoring with a field goal late in the first quarter to lead 3-0. However, the Crusaders came back in the third with a touchdown to wipe out the Mules' lead. The Mules responded with 14 points at the end of the third and a touchdown coupled with a touch-

down in the fourth. The scoreboard shows the offensive contributions, however, the defense was just as impressive. The defense racked up four interceptions (three by sophomore Mike Pagan, who was named ECAC Division III Defensive Player of the Week), 8 sacks, and they only allowed 134 yards. This game continued the Mules' four game winning streak from last season.

The next two games were not as successful for the Mules. They lost to Dickinson with a score of 14-12 and to Franklin and Marshall with a score of 13-3.

After these two defeats, the Mules came back to defeat the Green Terror of Western Maryland, 24-14. This defeat started the six game winning streak for the Mules. They out scored their

opponents 126 to 69 in this streak with defeats coming to Swarthmore, John Hopkins, Gettysburg (Homecoming game), and Hampton Sideny.

In the final game of the season, the Mules faced the 9 and 1 Moravian Mo-Mo's. The first half favored the Mo-Mo's as well as the second. In the third quarter, the Mo-Mo's scored 3 unanswered touchdowns and defeated the Mules, 45-25.

Although Moravian stifled the Mules' streak at six, the Mules finished with an impressive 7-3 record. Seven Mules made the All-Centennial Conference. They were Elser, Potkul, Large, Sponenberg, Murphy, and Dickinson. Becker and Pagan received honorable mention.

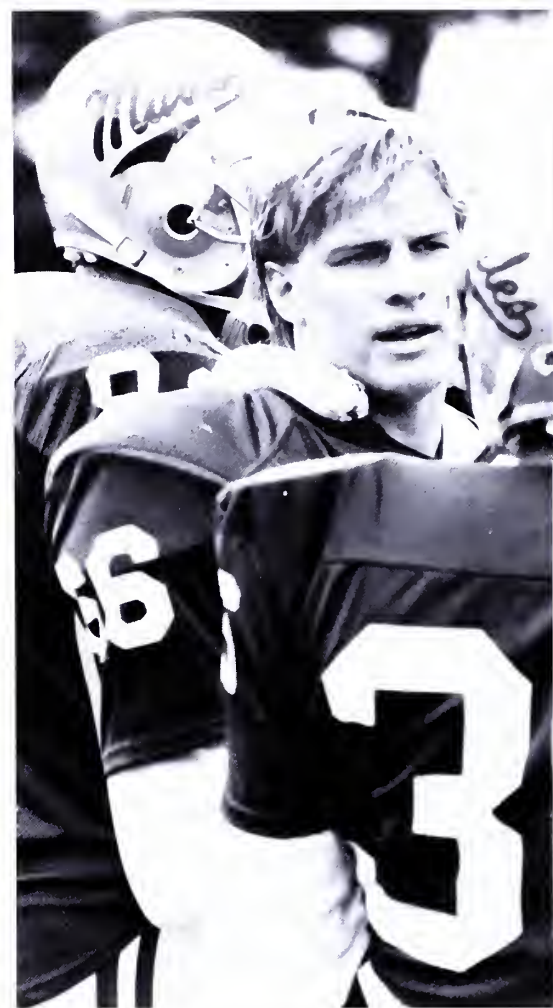

Jamie Wonder and Beth Walbert showing the true spirit of football (above).

Coach Ralph Kirchenheiter in action, planning his strategy.

Quarterback, Chris Elser is ready to make his move.

BELOW: John Mender discussing the plays with his teammates.

MIDDLE: The Pom Pom girls perform during the half time show.

Lance Hallam (62) and John Mender (66) intensely watch their teammates from the sidelines.

SOCCER

A SEASON OF RECORDS

Nineteen eighty eight will be a year that Muhlenberg Soccer fans will remember for a while. It was a year the team set school records for most wins in a season (19), best record (19-4-1), and most shutouts in a season (17). It is also a year when the team got snubbed by the NCAA and lost in the ECAC semifinals on a questionable penalty kick.

After losing the opening game 3-0 to nationally ranked Division I rival Penn State, the boosters went on to win thirteen straight shutouts. In their second game, against Kutztown, the Mules played sluggish early, but after leading 1-0 at halftime, the Mules poured on two second half goals to win 3-0. Against Swarthmore, the team continued its sup-par play, but escaped with a 1-0 victory on a goal by Gary Hind. Hind would end up being the teams third leading scorer for the season (6 goals, 6 assists, and 18 points).

At this point, it was apparent that the Muhlenberg defense would be a force. Led by senior goalkeeper, Mark Maehner and freshman goalie, Chris Browne, the defense was playing strong. The offense finally got on track against Widner and the team scored five second half goals to crush Widner 6-0. The team was looking strong and would outscore its next five opponents 20-0. In two of the five games the defense did not allow a shot on goal. During this stretch, Bert Mukkulainen, senior from Stenunsund, Sweden, emerged as an offensive threat for the Mules. The next opponent was rival Moravian. In a close game, the Mules prevailed 1-0 as, once again, Hind scored the lone goal.

BELOW: Coach Tipping passes the balls out for practice. Tipping has accumulated a record of 48-11-4 in his 3 seasons at Muhlenberg.

After winning the Stony Brook Tournament and beating Dickinson, the Mules prepared for a tough match against Elizabethtown. After playing two scoreless halves, double overtime, and a shootout, the score remained 0-0. After the Elizabethtown game, the Mules traveled to Messiah to face the number eight ranked Division III team in front of 3,000 spectators.

The tiredness of the team, along with the homecoming crowd, led to the Mules second loss. The Mules did not stay down for long, as they added four more shutouts in their next four games. The first two games, wins against Western Maryland (5-0) and a homecoming rout of Lebanon Valley (7-0), gave Muhlenberg the Conference title. Junior, Chris Bingman had two goals and three assists in the two games. Bingman would go on to lead the team in assists (9) and in scoring (8-9-25). The team finished its shutout string with wins against Ursinus and Allentown College. The team closed the regular season with a 2-1 victory against Gettysburg.

Despite finishing the regular season with a 17-2-1 record, the NCAA decided not to send the Mules to the tournament. The team was obviously disappointed, but still had plenty of soccer left to play. Maybe not getting the NCAA bid was on the minds of the Muhlenberg players when they played Haverford in the first rounds of the Middle Atlantic Conference Playoffs. The Mules were upset 2-1 in a shootout. Most teams would have quit by now, but not this team. The team destroyed Ursinus and edged Moravian to capture the ECAC Southern Regional Title.

Then came the questionable penalty kick. With the game scoreless and twenty minutes remaining against the New York State Regional Champion Hobart, a Statesman winger crossed the ball into the middle. After another Hobart player took a sidwinding kick in front of the Mule goal and the ball hit the hand of a Muhlenberg defender. The referee immediately called a handball. As the mules were arguing the call, Hobart converted the penalty shot and took a 1-0 lead. The Mules threatened several times, but could not even the score.

All in all, coach Tipping did a fine job and should be very proud of this team. It was a year of high moments and disappointments, but a season the team will never forget.

FRONT: Paul Batt battles an Ursinus player. The Mules defeated Ursinus 5-0.

BELOW: Chris Bingman taking a break from the action, but never from the game.

LEFT TO RIGHT:

FIELD HOCKEY

Lady Mules FIND NEW HOME

After being displaced from field to field, the Lady Mules finally found a permanent home this season. The new field was located just east of McGreggor Village. The Lady Mules opened their season on their new field against powerhouse East Stroudsburg. The Mules deemed unsuccessful, with a tough 3-0 loss; however, the Lady Mules did not remain down for long. They regrouped and came back in their next match to defeat Eastern 2-1. This was an impressive win for the team, since Eastern was undefeated in the previous season.

This type of roller coaster season was typical of the remainder of the Lady Mules' season. In their third match, the Mules lost a close 1-0 bout against Dickinson. Once again, they came back in their next game to defeat Delaware Valley 3-2. The next dip in the roller coaster ended in a soggy 2-1 loss to Drew. The Lady Mules had hoped for the rain to slow down their rival, however rain was not enough. The Mules scored a quick goal, but Drew answered it with two in the second half.

As one would expect by now, the Lady Mules won their next game versus Philadelphia Textile in a 4-0 shutout. Instead of following the pattern they had followed

so far, the Mules continued the win streak and defeated Kutztown and Moravian. Senior co-captain Sharon Peifer felt this 2-0 win against Moravian was the highlight of the season and one of the best games the team had played so far. This game ended the first half of the season with a record of 5-3.

The second half of the season resembled the same pattern as much of the first half. The Mules finished the month of October with a 2-4 record alternating wins and losses in the same manner as they did in September. All together, the Lady Mules finished with a record just over .500 (8-7). However, their season was anything but average. According to Peifer, the teams biggest difficulty was their inability to score. With only three seniors graduating, co-captains Peifer and Diana Weinapple (who led the team in goals and assists) and Joanne Wunderlich, the Lady Mules should return next season with a strong, experienced team.

Both captains received post season honors. They were named to the MAC All-Star team for their division. This was the second year Peifer received this honor.

RIGHT: Sophomores Tim Silvestri and Mike Malatesta race to the finish line.

CROSS COUNTRY

A SEASON OF SURPRISE

For approximately the last seven years, the Muhlenberg College cross country team had not had a victorious season and there was no reason to think that the 1988 fall season would be any different. But, to everyone's surprise this was not the case. The overall size of the team increased by 62% with the start of the 1988-1989 school year and with that increase came strength, talent, and victory.

The cross country team began its season with the Lebanon Valley Invitational at Indiantown Gap, Pa. The team was not hopeful, since last year, they came in 16th out of twenty teams, but to their surprise, they placed 8th out of seventeen teams and freshman runner, Jeff Mahn, was honored at an awards ceremony for being within the top twenty runners to come in first.

The next meet for the cross

country team was nothing out of the ordinary. The team faced Albright, Franklin and Marshall, and Moravian at Moravian, losing to all three with respective scores of 20-41, 20-42, and 17-45. Although this meet did not show it, the cross country team had been improving.

After these disappointing meets, the team went on to defeat Dickinson College, 22-35, earning their first victory in 2 years with Mahn breaking the school course record.

The Mules split the next two meets winning against Alvernia, 15-20, but defeated by Lebanon Valley College, 34-20. The following two dual meets, against Elizabethtown and Drew and Lycoming and Kings, were victorious. The Mules defeated Elizabethtown by a score of 24-31 and Drew by 20-37. In this meet,

freshman Gerard Pescatore broke the school course record set by teammate Mahn with a time of 28:24 minutes for the 5 mile course. After these four wins, the Mules went on to the Haverford Invitational and ended the season with a loss to Swarthmore College.

With the close of the season, it was announced that long-time cross country coach, William Flamish would be retiring. Coach Flamish has been with the team for many years and has seen it through some good times and some bad. As can be seen by the 1988 victorious season, the efforts of Coach Flamish have not gone unnoticed. Although the announcement of a new coach has not been made, the team is looking forward to another victorious season to come in 1989.

VOLLEYBALL

LADY MULES FIND TWO NEW COACHES

The 1988-89 volleyball season served as a major rebuilding process for an ailing program. The start of the process began with the hiring of two new coaches. Head coach Frank Marino and assistant coach Linda Garrett were in charge of this process. In addition to two new coaches, six freshman were added to the 15 women roster. With all of these new additions, the Lady Spikers aimed to improve on last years record of 8-16.

However, the Lady Mules ran into some early difficulties. The spikers started off the season 1-6 with their only win coming against Alvernia. They defeated Alvernia in two quick games 15-3 and 15-4. The Lady Mules credit this slow start to the rebuilding process that was still developing. They were trying to develop momentum to get back on the winning track, in addition to finding a winning group of starters. Many positions were still being shifted in order to find the right combination.

Two freshman fought their way into the starting line up. They were Michelle Arilotta and Karen Beatty. These girls

have helped the team to their six victories. In addition to these girls, juniors Gladys "Go-Go" Dayoub and Nicole DiPierre have consistently led the team. They added the spunk and motivation that held the team together. Also, senior co-captain Mindy Hutton had been a major factor in the Lady Spiker's play.

Although it did not appear that the team was successful, finishing as 6-20, there were still many highlights. Many of the matches consisted of long rallies. Although the matches were close, the scores did not show it. Secondly, the girls played an exciting match against Delaware Valley, crushing them with little difficulty. Finally, 12 of the 15 members of the team will be returning next year. The only members graduating are tri-captains Christine Fosko, Mindy Hutton, and Debra Kortvelesy. Next year the spikers can begin phase II of the rebuilding process. They already have coaches that are definitely returning and girls that are familiar with each others style of play.

MEN'S BASKETBALL

MULES CAPTURE SCOTTY WOOD TITLE

The Muhlenberg basketball team opened the season ready to play. Eight of last year's 10 letter winners, including four of five starters returned. In the opening game of the Scotty Wood Tournament, the Mules trounced Haverford 104-49. The Mules did not have such an easy time in the second round. However, they did pull out a one point nail biter over Juniata 67-66 to win the tournament. William Kennedy led the Berg with 13.6 points per game. The Mules continued their

hot streak winning four of the next five games. The only loss came to division rival Dickinson. In this streak, the Mules crushed Widener 65-50, a team the Mules had not beaten in ten years.

Next, the Mules went on to the Moravian tournament. They defeated Susquehanna in round one, but lost to Moravian in the final round, 64-74.

The rest of the season was filled with a mixture of wins and losses. The Mules ended their regular season with a victory over Moravian 69-66.

This game put the Mules into the Middle Atlantic Conference Southern Division Playoffs. The Mules, however, were defeated in the first round, 72-90, by Johns Hopkins.

Senior co-captain, Jeff Vaughan led the team in field goals and free throw averages while fellow co-captain, William Kennedy shot 70% from the line and 40% from the field. Sophomore William McMillan led the team in both offensive and defensive rebounds averaging almost 7 per game.

FIRST ROW: Mike McGeehan, Tom Lutz, co-captain Jeff Vaughan, co-captain Bill Kennedy, Jimmy Smith

The Lady Mules battled the Moravian Mo-Mo's for the shot and won.

Lisa Predmore goes up for a shot against a Swarthmore defender.

WOMEN'S BASKETBALL

10 WOMEN ROSTER; 6 FRESHMEN

1988-1989 Women's Basketball Team began with ten who were very unfamiliar with each others play. Six of the women roster were freshmen. However, as the season progressed, they gained essential experience.

The Lady Mules opened the season with the St. John Fisher Tournament. In the first round, Halman led the Mules with 12 points, her season high, and five rebounds to a 54-39 victory over Haverford. However, the Lady Mules were not as successful in the second round and they lost 61-62 to the tough St. John Fisher team. After a 52-62 loss to Cabrini, the Lady Mules lost four conference opponents. These games set the pace

for the rest of the season.

Although the Lady Mules came up short in the first two games, the third and fourth were just the opposite. In the third crucial game against Albright, the Mules found themselves down 26-23 at the half. The Lady Mules answered in the second half. Freshman, Nicole Smith scored 10 of her game high 16 points in the second half to help the Mules defeat Albright 52-44. Smith led the team in three point field goals with 16. In the fourth game, the Lady Mules trampled Haverford 70-38. Anne-Marie Somoylo was the leading scorer with 28 points. Somoylo led the team with the most points this season, 211.

The next essential league game

came against Swathmore. The Lady Mules exploded in the first half and continued their rally, downing Swathmore 60-49. Senior co-captain, Jill Stetz, led the team with 13 rebounds. Next, the Mules faced league rivals Widener and Ursinus. The Lady Mules played well in the first half of both games, but they fell apart in the second half, probably due to inexperience. The Mules lost 46-63 to Widener and 50-70 to Ursinus.

Two weeks later, the Lady Mules faced Widener once again. This game took quite a different turn. Veterans, co-captains Jill Stetz and Judy Eckerson led the team to a double overtime win of 69-68. Both girls made some key free throws

in the clutch to help the Mules to victory. Eckerson led the team with a 74% average from the free throw line. After this game, the Lady Mules found themselves at an 8-11 record, with six games remaining.

In the first two games, the Lady Mules faced conference rivals Haverford and Swathmore. Lisa Predmore led the Mules to victory in both games. Predmore was the high scorer (20, 13) and leading rebounder (15, 10) in both victories. She also led the team in rebounds with a season total of 229. In the next four games the Lady Mules came up short, losing all four. They finished the season with an overall record of 10-15.

WRESTLING

MULES FINISH SECOND IN LASALLE TOURNAMENT

The 1988-1989 Muhlenberg Wrestling team opened their season with an impressive showing in the highly competitive LaSalle Invitational Tournament. The team finished second out of 11 teams. Several individuals placed high in their weight classes. Paul Lograno earned the title of tournament outstanding wrestler, finishing first in the 118 lb. class. Lograno finished the season with a dual match record of 10-13-1. Co-captain, Rick Gilston, Bob Eckerstrom, co-captain, Scott Graybill and Chris Zingaro all captured second place in their weight classes

and Matt Silverstein, Jeff Martin and John Kane finished third. Next the Mules competed in three dual meets coming away with a victory against Rutgers-Camden. However, LaSalle and Moravian both gave the Mules some trouble. The Mules were defeated by both teams. In the Lebanon Valley Tournament, the Mules finished 8 in the 17 team field, however individual placements in their respective weight classes was outstanding. Graybill and Gilston finished third, Zingaro fourth, Eckerstrom sixth, Lograno seventh and Silverstein eighth.

The rest of the Mules season was a series of ups and downs with a final season record of 12-9. The season culminated at the MAC Championships. Gilston finished fourth. The win brought the co-captain's record to 28-7-0, Lograno and Zingaro both finished sixth. Zingaro finished with an impressive overall record of 10-9-1. Graybill, the other co-captain, also finished with an outstanding record of 24-7-0. Many individuals contributed to the Mules overall success and hopefully many will be returning next year.

FIRST ROW: Captain Scott Graybill, captain Rick Gilstein

BASEBALL

A FRUSTRATING SEASON

Mike Christian showing what he is made of.

Under head coach Sam Beidleman, the Muhlenberg College baseball team completed a frustrating season. The Mules struggled throughout the year due to injuries among the pitchers and ended the season with a record of 8-17.

Muhlenberg got a strong offensive performance from Dave Sonnenberg. The sophomore shortstop-pitcher was selected to the Middle Atlantic Conference Southern Division all-star squad, second team, and batted a team high .361. He also led the team in triples (2), walks (24), assists (68) and stolen bases (15).

Other Muhlenberg players who contributed at the plate were Carmen Armenti, who

batted .270, Elon Hasson .321, Mike Hoffman at .30, Mike Tremblay at .330, and Mike White at .305. On the mound, Tremblay led the staff with a 2-1 record and a team-high three saves. Freshman Mike Christian recorded a team-low 3.4 earned run average.

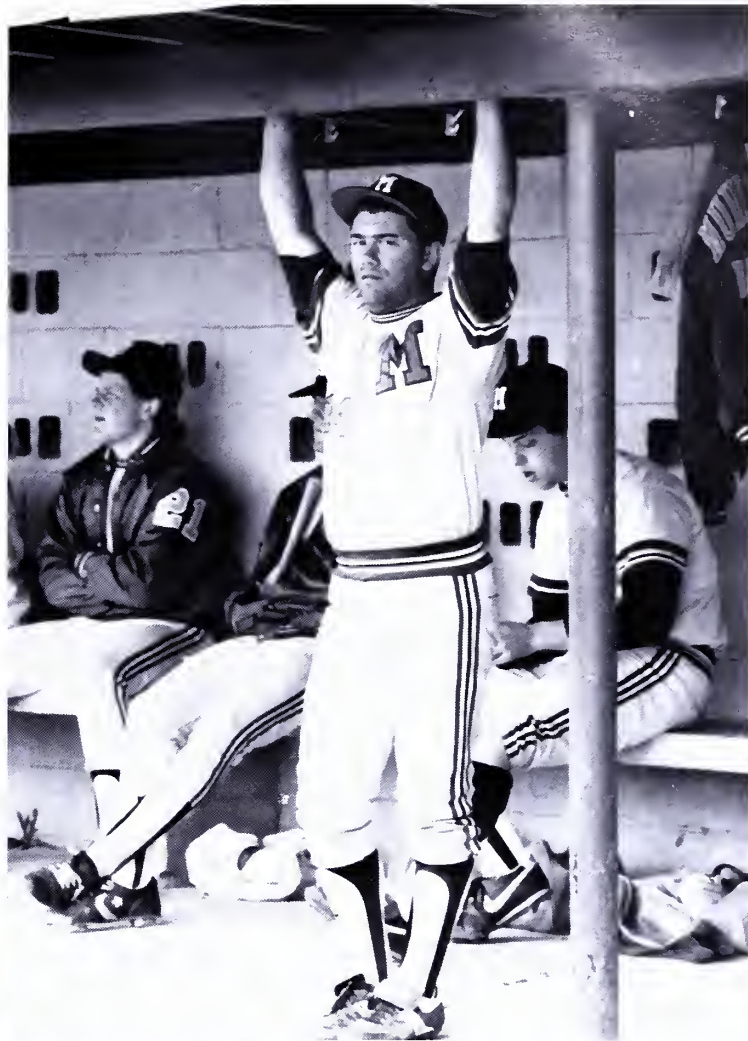

FIRST ROW: Jim Vogel, Dave Sonnenberg, Mike Tremblay, Mike White, Carmen Armenti

SECOND ROW: Elon Hasson, Mike Ferraguzzi, Mike Hoffman, Stuart Abramson, Chris Schlenker, Craig Coffey

SOFTBALL

25-6 OVERALL, 8-0 MAC SOUTHEAST

softball team completed most successful season in history of the sport at Muhlenberg. The Mules, under fifth-year coach Brian [unclear], recorded their third consecutive MAC Southeast Division championship and their first MAC all crown. The Mules gained the distinction of being the first Muhlenberg team in any sport, since the inception of Division III in 1982, to qualify for national competition. The Mules won 25 games in national Central Region competition before losing to fourth-ranked

Allegheny. Muhlenberg entered the tournament twelfth-ranked in Division III.

Freshman outfielder Kim Lapple led the team in doubles (6) and triples (2). She also hit one homerun and recorded a .337 batting average.

Sophomore pitching sensation Elanie Gratix compiled a team-leading 14-1 record with Mule best 0.82 earned-run-average. In 102 innings of work she allowed only 58 hits while striking out 77 and walking 25. Sophomore third baseman Shenon Hottenstein hit for a .258 aver-

age and slammed one of the team's two homeruns.

Senior catcher and co-captain Laura Williams had 16 hits in 69 at-bats for a .238 batting average. Senior outfielder-designated hitter Jill Stetz, in her first complete season, led the team in triples (2) and RBIs (17). She also batted .303 with 23 hits in 76 at-bats. Senior second baseman and co-captain Sharon Peifer batted .337 in her fourth season as a starter.

Gratix, Churetta, Johanson, Stetz, and Peifer were also named to the NCAA Central Region all-star team.

WOMEN'S LACROSSE

YOUNG AND INEXPERIENCED

Young and experienced
lenberg team struggled
3-9 record. They opened
the season with a loss to
thmore. This loss was
owed by five straight loss-
Franklin and Marshall,
erford, Drew, Washing-
and Bryn Mawr. The
k was broken when the
es faced hometown op-
ent, Cedar Crest. The
es triumphed over Cedar
t with a score of 14 to 5.
rest of the season was up
down for the Mules with
ries over Philadelphia
ile and Widener and

losses to Dickinson, Gettys-
burg and Glassboro State.
Besides the inexperience of
the players, the team was also
faced with an interim coach,
Jeff Tipping. Hit hard by the
graduation loss of key offen-
sive players, Tipping had to
rely on a lineup comprised
primarily of freshmen and
sophomores.

Sophomore Pam Loftus led
all scorers with 31 goals and
four assists. Freshman Carrie
Diforio added 21 goals, eight
assists, and junior Jeanmarie
Houlihan recorded 11 goals
and eight assists. Senior cap-

tain Diana Weinapple con-
tributed 6 goals and 7 assists
and was named to the Mac
East all-star squad.

Overall, the team's outlook is
not as gloomy as it seems.
With the experience gained
through this season and with
the return of Coach Patty
Fosselman, the team is al-
most assured a brighter 1990
season.

OPPOSITE PAGE:

RIGHT: Diana Weinapple catches the ball to complete the play.

ABOVE: The Lady Mules keep control as the pressure builds.

MEN'S TENNIS

A NEW COACH; A SUCCESSFUL SEASON

The Men's Tennis team began their season with a new coach. This first-year coach, Bob Bryan, is a Muhlenberg graduate and is a member of the class of 1983. Under his direction, the Mules ended their season by winning eight of its last nine matches.

Although they ended their season successfully, the Mules began it with two losses. They were defeated by Kings College with a score of 7-2 and by Gettysburg with a score of 5-4.

After these two losses, the Mules came back to defeat

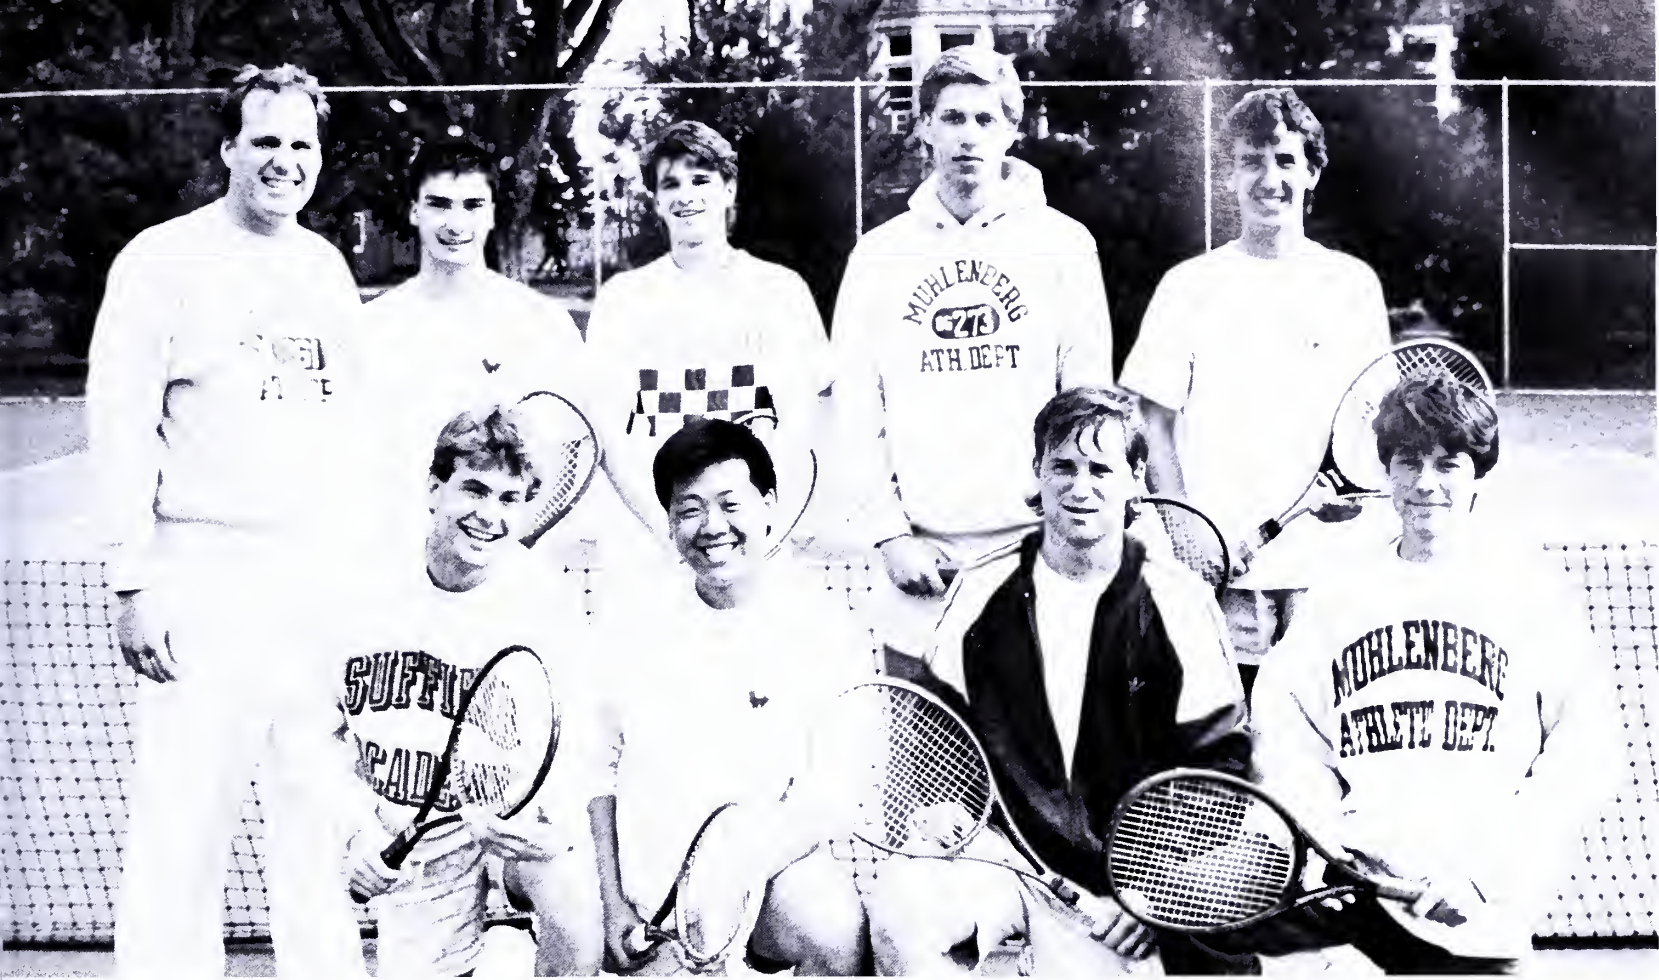

Kutztown, 9-0. With the next match, the Mules reversed this score by losing 9-0 to Dickinson. The Mules went on to win the next two matches against Moravian and ESU. Their final defeat came to Franklin and Marshall about half way through the season. They were defeated 7-2.

The Mules finished the season by winning the next seven matches. Their wins came against such teams as Scranton, Widener, and Western Maryland.

Some of the Mules' consis-

tent performers were Teal Gilbert, 7-5 at No. 1 singles, 2-6 doubles, Doug Larmour, 9-3 at No. 2 singles, 7-3 doubles, Andy Song 5-4 at No. 3 singles, 7-4 doubles, Peter Joseph, 7-2 at No. 5 singles, 4-5 doubles, and Rob Sweeney, 8-3 at No. 4 singles, 9-3 doubles.

The intense look on Anne Bortolussi shows the depth of her concentration.

WOMEN'S TENNIS

MAC CHAMPIONS

The Women's Tennis team had their seventh successful season in 1989. The team finished with a record of 9-4 and a MAC Northeast record of 4-0.

The Lady Mules began the season with a five game winning streak, beating Scranton, Bryn Mawr, Wilkes, Dickinson, and Albright. Their first loss came to Haverford with a score of 8-1. This loss was followed by another, but the Mules came back to win their next three matches against Moravian, Drew, and FDU-Madison.

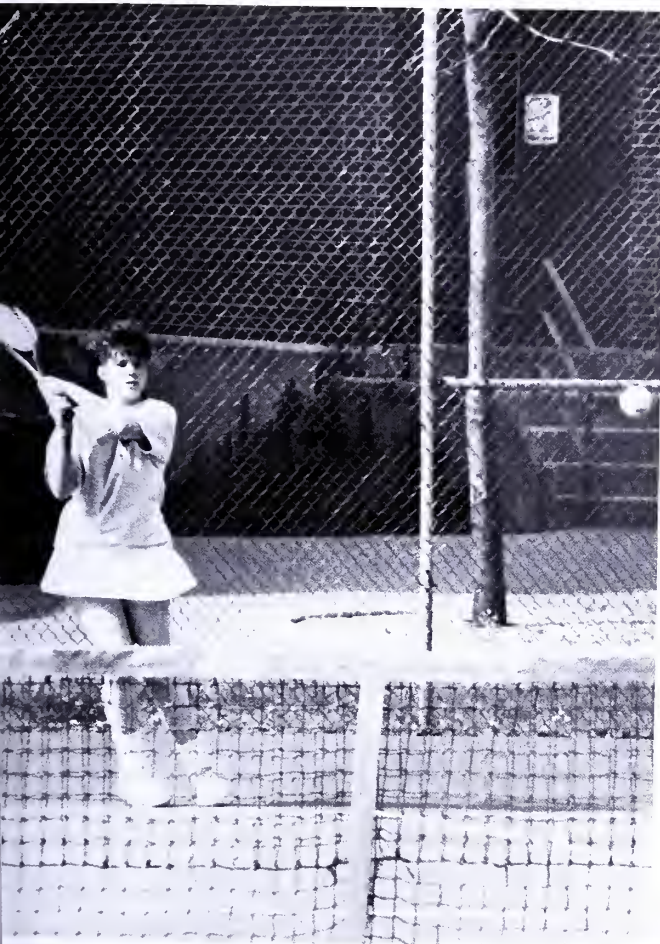

After these three wins, the Mules dropped the next match to Ursinus, but came back to beat Scranton for a second time in the season. The season ended with a 9-0 loss to Swarthmore.

In this season, the team captured their seventh consecutive MAC Northeast League title and third MAC Northern Division title under coach Linda Garrett.

Number 1 singles, Jen Cuccia

finished the season with a 9-4 singles and 8-5 doubles record. Doubles partner Connie Cox went 7-6 singles. Jill Gregor finished 9-3 singles and 9-4 in doubles with Dawn Degnan. Junior Anne Bortolussi went 7-5 playing a strong No. 5 singles.

RIGHT: Mike Miley and Henry Michell work hard to catch the Haverford runner.

TRACK

MEN 5-5; WOMEN 9-4

Both the men's and women's track teams had outstanding performances from some individuals, as several new school records were established. Freshman high jumper Jen Sahli became the first woman in an individual sport at Muhlenberg to qualify for the NCAA Division III championships, as she cleared 1.67 meters at the Johns Hopkins Invitational to meet the nationals standard.

At the Penn Relays, senior Mike Perrone, sophomore Chris Seiple, and freshmen

Mike Miley and Paul Batt broke the school record of the 1600 meter relay with a 3:26 clocking.

Sophomores Seiple and Melissa Popp, along with freshmen Tammy Collins and Sahli were the Mule athletes who placed in the May 5-6 MAC meet at Western Maryland. Seiple's 1:56.15 time placed him fourth in the men's 800-meter run. Popp scored a sixth-place point in the women's javelin with a 35.58-meter toss. Collins placed second in the shot put with a throw of 11.61 meters

and third in the discuss with a toss of 35.04 meters. Sahli finished second in the high jump with a height of 1.57-meters.

The women's 1600-meter relay team place sixth with a time of 4:15.56 at the MACs, while the women's team finished sixth overall in the conference among a field of 16.

LEFT: Thor Kvande is giving the race his all.

GOLF

8-9 OVERALL

The Muhlenberg golf team, under the direction of veteran coach Ray Whispell, compiled an 8-9 mark by winning seven of their last 10 dual-matches for the 1989 season. At the close of the season, Coach Whispell announced that he was retiring. Whispell has been with Muhlenberg for 32 years and has coached the golf team for the past eight years.

During this season, Whispell directed the Mules' to a strong showing at the Middle Atlantic Conference Tournament, as Muhlenberg placed eighth of 22 schools. Sophomore Rod James came through with a sparkling third-place individual finish in the tournament. Fourth year lettermen Steve Santo and John Mustion provided consistent play and leader-

ship throughout the campaign.

As of now, the golf team has not had a new coach named for the 1990 season, but they hope for a promising year.

EVENTS

WORLD EVENTS

1988
SUMMER
OLYMPICS

ABOVE:

The Summer Olympics were held during the months of August and September in Seoul, South Korea. The United States came in third in the overall medal standing. Records were broken in many including Greg Luganis and Florence G. Joyner. The United States athletes provided great achievement and honor to our nation.

TRAGEDY HITS YELLOWSTONE NATIONAL PARK:

It was late summer when fire destroyed various areas in the Park. It was difficult to control due to the dry weather out west. After about a week and a half, the fire was under control, but there was still a great amount of damage to the national park, vegetation and wildlife.

SPACE SHUTTLE DISCOVERY:

After about a year of space age postponements, NASA had launched the Space Shuttle Discovery. It was a year ago that the Challenger had blown up. The Discovery voyage was a great success and it marked the beginning of further space shuttle launchings.

THE WORLD SERIES:

The L.A. Dodgers celebrated the World Series victory over the Oakland Athletics. The Dodgers won the series four games to one over the Oakland A's.

THE DROUGHT:

Because the weather was so dry this past summer, the west faced problems. The drought caused destruction to many of the crops needed by Americans for food.

(RDS 3) LENINAKAN, U.S.S.R. Dec. 12 (AP)--MOUNTAINS OF RUBBLE--Teams of workers Sunday climb on rubble left by one of many buildings in quake-stricken Armenia that simply crumbled in a heap. Severely damaged building is left standing at a dangerous tilt in right background. (AP LaserPhoto) -C- mp 6-1
MORTEN HVAAL 1988

THE ARMENIA EARTHQUAKE: ABOVE AND BELOW:

It occurred in Southern Russia — one of the most devastating earthquakes ever. The earthquake was centered around Armenia.

Towns were totally wiped out, nothing was left standing. The death toll was about 50,000-75,000 people. The United States sent aid to the Soviet Union to help with the disaster.

WORLD EVENTS

THE PRESIDENTIAL CAMPAIGN:

Nineteen eighty eight was the year for the Presidential Campaign. After many months of tedious work for George Bush and Michael Dukakis, the night of November 8th was here. It was election day and George Bush was named President elect and Dan Quayle V-P elect. January 20th, 1989, the Presidential Inauguration was held. Bush and Quayle were officially named President and Vice President of the United States, respectively.

THE SOVIET UNION AND THE UNITED STATES:

President Reagan and Soviet leader Gorbachev have begun to make a great amount of progress concerning world affairs. In December 1988, Gorbachev visited the U.S. to talk with President Reagan. This visit marked the on-going progress between the two super powers.

THE GREAT WHALES:

The wildlife is important to the United States. Four great whales were caught in the arctic ice and they could not escape. Rescue teams were set up to set the whales free. With the help of the Soviet Union, the U.S. was able to set the whales free.

M U H L E N B E R G E V E N T S

THE LIBRARIES:

The 1988-1989 academic year was marked with the opening of the new library, the Harry C. Trexler library.

The Harry C. Trexler Library is better equipped and more resourceful as compared to Haas Library. It offers students an on-line catalogue system and has computer facilities. The Haas Library is being renovated and once the renovations are complete, it will be used for administration and academic purposes.

BROWN FIRE:

It was 3:30 in the morning, Wednesday, April 5th, when the fire alarm sounded in Brown Dormitory. Once all the occupants of Brown were outside, they realized that a room on the first floor was burning.

Smoke filled many of the rooms in the hall, but the fire was under control as soon as possible and no one was hurt. This incident will create memories of Muhlenberg College Life for those students who lived in Brown.

LIBRARY

DEDICATION

The celebration begins.

Melinda Armenti and Kelly Hardy — the best of friends.

A future Student enjoying the festivities of the Library Dedication.

A view of Dr. Marx participating in the Dedication ceremony.

Human chain of book passers passing books from the old library to new one.

The Harry C. Trexler Library was dedicated on September 30th — October 1st, a weekend for “Celebrating Books” as well as the newest addition to Muhlenberg’s campus. The festivities began Friday, September 30th, with two lectures on “The Aesthetic Vision” and the “Form and Function of the Building Itself.” William Severson, the sculptor of “The Tree of Knowledge” adorning the wall of the entrance, participated in the panel discussion of the aesthetic characteristics of the building. His “Tree of Knowledge” contains acrylic fiber optics which transmit sunlight throughout the carving, emitting light in approximately 200 places. Neville Epstein, representing the architecture firm of Geddes Brecker Qualls Cunningham, Lee Butz, the Construction manager for Alvin H. Butz, Inc., Thomas Moser, the designer for the study carrels, and Louis Schiller, the landscape architect, were also involved in the panel discussion. Architect Robert Geddes, also of Geddes Brecker Qualls Cunningham, presented a slide lecture on the concept and design of the Library.

A Laser Show ended Friday’s activities as students, faculty, administration and guests filled the area between the Center for the Arts and the Trexler Library to view a Laser spectacular set to classical and popular music.

The “Celebrating Books” festival preceded the official dedication ceremony and included a tribute to all aspects of reading, printing and bookmaking. Throughout the morning, Muhlenberg students helped area children dress up as their favorite storybook character and read stories to the children. Other exhibits included a “1001 Best Books” sale of classical works by the Berg bookstore, a used book exchange, silk screen posters, calligraphy, and bookbinding.

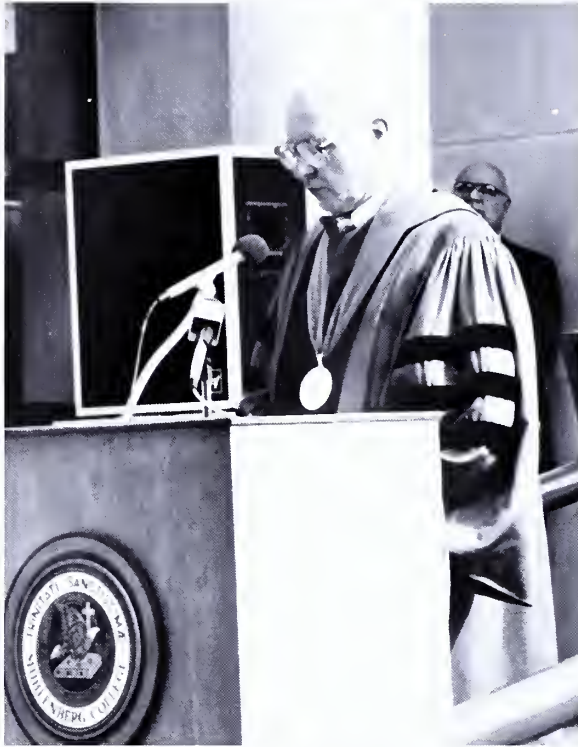

At 2 p.m., as the bells in the David A. Miller Bell Tower of Haas tolled, selected books and other items from the old library were passed along a human chain of students, alumni, faculty, parents and friends of the college which stretched from the steps of Haas to the entrance of the Trexler Library. The dedication ceremony began with music from the Muhlenberg Wind Ensemble and Brass Quintets atop the Bell Tower at the Haas and the Tower of Concord at the Trexler Library. The ceremony included a poetry reading by Theodore Weiss, an alumni of the class of 1938, hymns sung by the Muhlenberg Singers, an address by Frederick Busch, Professor of Literature at Colgate University and alumni of the class of 1962. The Muhlenberg Wind Ensemble performed a concerto written specifically for Muhlenberg’s ensemble. Bettie and Charles L. Garretson, Jr. donated a book from General Trexler’s own collection and the ceremony concluded with the Dedication by President Messerli.

The Trexler Library became an official part of Muhlenberg amid a weekend of celebration and dedication to the wonder of not only the building itself but the purpose for which it was built — to celebrate books.

The overseers of Muhlenberg and the Harry C. Trexler Library.

LIBRARY DEDICATION

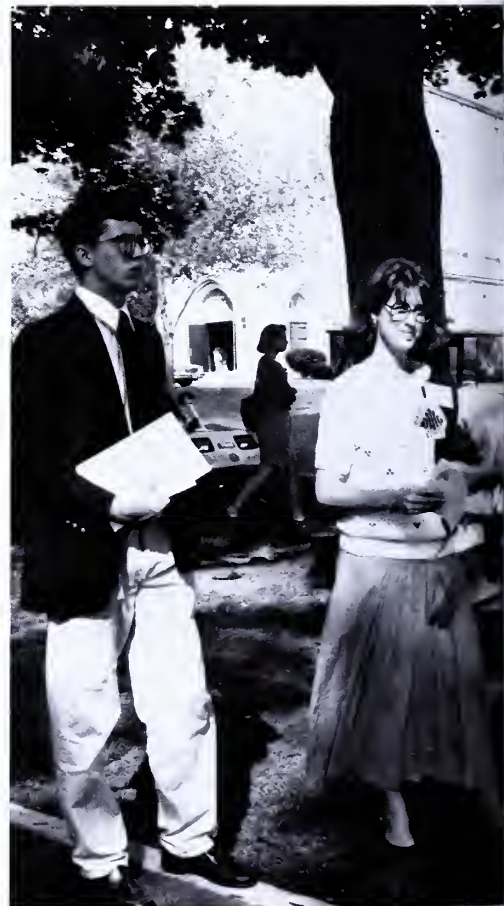

President Messerli giving his library dedication speech.

Isn't this great that the new library is finally open?

Music fills the air during the festivities.

Frances Foltz and Dave Sonenberg head for the dedication ceremony.

Muhlenberg on the move!

The freshman class float.

Welcoming smiles greeted Muhlenberg alumni.

The mighty Mules charge into battle.

The pom-poms perform in style at halftime.

The stands of the football field are filled with alumni.

Although the weather was far from what students, faculty, alumni and others who had attended the Homecoming game had expected or hoped for, the day turned out to be full of excitement and good spirits which remained despite the clouds hovering overhead.

Light showers in the morning before the game had students, who were putting the finishing touches on their entries for the float contest, running for plastic sheets to protect the artistic creations that they had worked so hard on for the past few weeks, and in some cases, months. Thankfully, the threat of rain remained just that and everyone, on and off the field, was able to enjoy the day.

The stands were filled when the Homecoming Parade started. The participants lined up with their entries behind the Commons to begin the competition. The floats progressed down around the campus, turned into the entrance for the football stadium, and circled the field. All of the floats were centered around the theme: "Mules on the Move," and were judged by a panel which included both alumni, faculty, and administrators. The judging of the entries was based on originality and artistic merit. The people involved with each float were asked to accompany their creation around the field, where they were judged on their spirit and enthusiasm. Participants included each of the sororities, two of which coordinated their efforts with fraternities; the junior class, and Alpha Phi Omega, our service fraternity.

Coach Kirchenheiter and the Mules outdistanced the Gettysburg Bullets, 13-7, with outstanding showings in both Mule defense and offense. It was a moment of pride for all attending the game.

At halftime, the results of the Homecoming Queen contest and of the Float contest were announced. Jennifer Priester, an exemplary student who is involved in many extracurricular activities including Omicron Delta Kappa, Tour Guide, President of Phi Sigma Sigma, won Homecoming Queen. The winning float was the product of a joint effort of Phi Sigma Sigma and Sigma Phi Epsilon.

Homecoming 1988 was a day filled with fun, spirit, and victory which was shared by all those who attended.

School spirit flies high during Homecoming Day.

H O M E C O M I N G

Lisa Horning returns to crown the new Homecoming Queen.

RED DOOR CAFE

With the new Union renovations, came the the Red Door Cafe. The Red Door Cafe is a place where Muhlenberg students can go to get away from it all. It is a great place to meet your friends, to catch up with the latest gossip, or even to study. The cafe is student managed and operated and it provides many students with an opportunity to grow and develop.

On a fairly regular basis, the Red Door Cafe offers the students some form of entertainment, usually starting on Thursdays and continuing through the weekend. The types of entertainment offered are comedy acts, musicians, and movies. This Red Door season start off with a performance from Dave Binder, a musician who specializes in the music of James Taylor. The Red Door always provides something to do.

Within its two year existence, the Red Door Cafe has become a major part of Muhlenberg's campus. It involves itself in most major activities on campus such as the Library Dedication Ceremony and provides students with another area to socialize.

So come out of your rooms and experience the Red Door — Muhlenberg Style!!

Red Door Cafe

COMMENCEMENT

Members of the class of 1989 await the beginning of the Commencement exercises.

Dr. Weston leads the graduation process to their respective places on Muhlenberg's front lawn.

Student Council president, Mark Attalienti, addresses the class of 1989.

President Messerli presents Governor Thomas Kane with an honorary degree from Muhlenberg College.

The twenty first day of May, 1989 will be remembered always by the Class of 1989 as the day they ended their chapter of life entitled Muhlenberg College and began the next chapter in their lives.

The weather provided a spectacular day for these graduates and the Commencement Ceremonies were held on Muhlenberg's front lawn. The Class of 1989 was addressed by New Jersey's Governor Thomas Kane, in which he advised the graduates to enjoy all that life has to offer because time does and will slip away. This year's senior class speaker was Jeff Vaughan and the presentation of the senior class Pledge Drive was presented by Beth Walbert. Each graduate received his/her diploma from President Messerli.

The Class of 1989 leaves Muhlenberg physically, but the memories of their presence will be felt always as they make their mark in society.

Jeff Vaughan addresses his fellow classmates.

Beth Walbert presents the senior class Pledge Drive.

The Class of 1989.

Joe Accetta: Congratulations!

We're all very proud of you and wish you happiness and success in all you endeavors!

Love you,
Mom, Dad, John, Jodi, Rob, Danielle and Bop

Theresa,

We are proud of you and your accomplishments. You have become a wonderful and very special person. We pray the God will bless you always!

With Much Love and Pride,
Mom, Dad, Kristine, Jennifer, Grandma and Grandpa

Doug,

Congratulations! May your hard work of 4 years be rewarded with a successful future.

Love,
Mom, Dad, Diane, Mickey, Dwight and Brigette and David too!

Congratulations Debbie!

We are proud of you!

Love,
Mom and Dad and the whole Cunningham clan

David,

Congratulations! We're proud of your work and activities at Muhlenberg. Good Luck and best wishes for the future. Go for it!

Love,
Mom, Dad and Patti

Melissa,

Congratulations! Best wishes for a successful career and bright future. You have made us all very proud. We love you!

Mom, Dad, Orlando and Carlos

Linda,

Congratulations Linda and the class of 1989.

Love,
Mom and Dad

Michelle,

You made us what we are today — proud and happy.

Love,
Mom and Dad

Maureen,

Congratulations and best wishes from Mom, Dad and Tracy. Your years of study and hard work will make you a success at whatever you undertake.

MICHELLE,

We love you and are very proud of you.

Love,
The Mattone Family
